RE: OCRM-00-458M

Dear Curtis:

We are requesting an amendment to the above referenced permit for Dennis Martin at 5880 Frisco Ave., Johns Island, SC. In January, 2006, we requested and received an amendment, but now propose a revised configuration. None of the changes permitted in January, 2006 have been done.

We propose to relocate an existing mooring dolphin to the ebbside end of the floating dock and increase the floating dock from the permitted 10'x30' to a 10'x45', leaving the existing boatlift as is.

Thank you for your attention in this matter and please contact our office if anything further is needed.

Best regards,

Michael J. Murray
